Town Meeting Warrant

State of New Hampshire

To the inhabitants of the town of Haverhill in the County of Grafton qualified to vote in town affairs:

You are hereby notified to meet at the town hall in said town on Tuesday the 11th day of March, 1941, at ten o'clock in the forenoon to act on the following matters:

Article 1. To choose a town clerk.

Article 2. To hear the reports of the selectmen, treasurer, cemetery commissioners and any other town officers heretofore chosen, and to pass any vote relating thereto.

Article 3. To choose one selectman for the term of three years, a town treasurer, one or more highway agents, one or more auditors, one library trustee for the term of three years, one cemetery commissioner for the term of five years, one trustee of trust funds for the term of three years, and all other necessary town officers.

Article 4. To see if the town will vote to make any alterations in the amount of money required to be raised and appropriated for the ensuing year for the support of the town, as recommended by the finance committee in its budget report, to raise and appropriate all sums so determined for the purposes so determined, and to pass any other vote relating thereto.

Article 5. To see if the town will vote to authorize the selectmen to issue interest bearing orders or notes to provide for the current year's expenses in anticipation of taxes.

Article 6. To see if the town will vote to authorize the selectmen to distribute the inventory blanks by mail or at the time they examine the taxable property.

Article 7. To see if the town will vote to authorize the selectmen to administer or dispose of any real estate acquired by the town through tax collector's deeds.

Article 8. To see if the town will vote to apply all money received from the sales of deeded property to the reduction of the temporary indebtedness of the town.

Article 9. To see if the town will vote to appoint a budget committee to supervise the appropriations of the town and to recommend to the next annual meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Article 10. To see if the town will vote to grant permits to druggists for the sale of liquor in this town for medicinal, scientific and mechanical purposes, under the provisions of chapter 144 of the Public Laws.

Article 11. To see if the town will vote to petition the state tax commission to have an audit made by the division of municipal accounting and to make an appropriation to cover the expense of such audit.

Article 12. To see if the town will acquire and provide for an aircraft landing field for all purposes incident to aviation development, in accordance with Chapter 90, Laws of New Hampshire 1929.

Article 13. To see if the town will vote to leave the matter of renting of the town hall to the discretion of the selectmen of the town.

Article 14. To authorize the selectmen to issue notes or bonds to refund the temporary indebtedness of the town and to pass any vote relating thereto.

Article 15. To raise and appropriate the sum of $3,000.00 in addition to the amount raised under Article 4 of this warrant.

Article 16. To transact any other business proper to come before said meeting.

Given under our hands and seal this 17th day of February, 1941.

WESLEY G. WHITE,
ERNEST E. CRAIG,
ROY E. DUNKLEY,
Selectmen of Haverhill.

REPORT OF SELECTMEN

To the taxpayers and citizens of Haverhill:

We herewith submit our report for the year ending January 31, 1941. On the following pages will be found a detailed statement.

We especially call your attention to the comparison of the Haverhill Tax Dollar as compared with the state. These figures were compiled by the State Tax Commission, and following this we have published for your information the valuation and tax rate of every town in the state for the year 1940. We suggest that the taxpayers spend some time on the comparison of the division of the Tax Dollar and the tax rates and valuations.

FINANCIAL

The net debt has been reduced in the amount of $1,729.16, leaving our net debt $33,495.66 as against $35,224.82 at the closing of last year.

Tax Collections have been very good this year. The current year committed being $100,656.90 and of this $100,179.08 was collected. The figure covering property sold for taxes this year is $11,963.35 against $12,475.82 last year, showing a gain of $512.47.

POLICE

The police department has been successfully handled as in the previous year with a slight overdraft of $8.87.

DEEDED PROPERTY

The New Hampshire statute now requires the collector to issue a deed of property on non-payment of taxes two years from the date of the first sale. We

would like to advise all property holders who have the 1938 tax levy outstanding that this property will be deeded this year.

We still believe it good judgment for the town to keep certain pieces of this deeded property, which might fall into the hands of undesirable persons as tenants.

The town now has quite an area of forest lands which we believe will never be redeemed, for that reason we are now carrying this item in the assets as Town Forest.

HIGHWAYS

We find ourselves with an overdraft in the amount of $2,025.32. There are 56 miles of Class 5 and 12 miles of Class 6 highways that have to be maintained by the Town Highway Agent. We do not believe that this amount of mileage can be maintained in a manner to satisfy the public for the amount of $5,100.00, as there are increasing demands by the public to be paid for out of the Town Treasury.

TOWN POOR

You will note a small overdraft in town poor account this year. We believe our relief load for the coming year, due to the labor situation and the increase in old age assistance, will be lighter this coming year.

WESLEY G. WHITE,
ERNEST E. CRAIG,
ROY E. DUNKLEY,
Selectmen of Haverhill.

Totals	$162,736.32	$124,115.23

The foregoing summary of Receipts and Expenditures as compared with the Budget is submitted by your Finance Committee with recommendations—That in addition to the County and Poll taxes provided by law, the Town raise the sum of $25,753.63 and appropriate said sum and all other monies which may be paid into the Treasury and which are not required by law

otherwise to be expended in accordance with the foregoing Budget as presented by the Finance Committee.

From state	8,000.00	
From local sources	7,650.00	
Balance Feb. 1, 1941	5,990.60	
		$24,640.60
To Balance Budget		$25,753.63

The amount to be raised this year is $13.20 more than was required last year.

Appropriation for Town Maintenance was divided as follows: 49% to Woodsville, 51% to Town roads outside Woodsville. On account of severe fire losses in the Town this division will probably be 50-50 this year. The appropriation last year was exceeded by $2,025.32, and on account of this Woodsville had to be reimbursed $1,977.33 for a total overage of $4,002.65.

Temporary notes outstanding amount to $39,038.23 $5,000 of which was borrowed at the end of the year and an item appears in the Budget to retire this amount

plus whatever is paid in on Deeded Property. Last year $3,580.35 was received from Deeded Property, and paid on temporary notes.

Taxes due the Town plus the cash balance Feb. 1, 1941, amount to $33,831.71.

Town Maintenance appropriation has been increased $2,000 in an attempt to avoid any overage in this account this year.

Old Age Assistance expense will be heavier this year by $500.00, but on account of improvement in the relief situation Town Poor appropriation has been reduced $1,000.00.

1940 Taxes bought by the Town were $512.47 less than purchased last year which is encouraging but the amount due the Town is still large and an effort should be made to collect the outstanding 1938 and 1939 taxes. The cost to the taxpayer in cost of sale and interest charges is severe and should be avoided by him if possible.

Respectfully submitted,
H. B. KNIGHT,
F. R. DEAN,
WM. EICHHORN,
Finance Committee.

WHITE PINE BLISTER RUST CONTROL

White Pine Blister Rust Control as conducted in this town during 1940 by the State Forestry & Recreation Department and the Federal Bureau of Entomology was a part of a nation-wide program of protecting white pine growth from a bark disease, which though not spectacular, represents a very serious menace to this tree if not controlled. Throughout the northeastern states, where white pine is especially important, counties, towns, cities, and individual owners have cooperated with State and Federal agencies. In the Far West, upon the National Forests and holdings of large lumber companies, Blister Rust control is recognized as a necessary practice in growing white pine. Recently, the Federal Government reaffirmed and emphasized the need of White Pine Blister Rust control by the passage of an act authorizing financial assistance to such states as are carrying on control measures. All towns and their citizens are strongly urged to cooperate with the State and Federal governments in their efforts to maintain control of this destructive disease.

The following financial statement shows expenditures made in this town during 1940 for Blister Rust control by the agencies indicated. Persons interested in the detail of control work and the life history of Blister Rust may receive a circular by applying to the State Forester, Concord, N. H.

The income from the Southard Fund has been divided between the two School Districts, Haverhill $69.17 and Woodsville $56.60.

The income from trust funds for care of cemetery lots has been paid to E. E. Craig, Treasurer, this amounted to $529.92.

The income from the Carbee Fund has been paid to the Cottage Hospital.

The income from the John Dexter Locke Memorial fund for the Improvement Prize has been turned over to the Superintendent of Schools. The income from the Library funds has been paid to the Treasurer of the Haverhill Library. No pupil being eligible for the John Dexter Locke Memorial Latin Prize, the interest was added to the principal.

All the above funds are deposited in the Woodsville Guaranty Savings, Amoskeag Savings Bank, New Hampshire Savings Bank, Littleton Savings Bank and Wells River Savings Bank with the exception of Bonds which are stored in a safe deposit box at the Woodsville National Bank. One bank book deposited with Merrimack River Savings Bank is in liquidation.

Respectfully submitted,

Much needed repairs to the furnace called for an expense of $92.01 which was taken from the emergency fund, leaving a balance of $601.16.

The large balance would have been used for books only that it would be more needed in the year to come.

A change has been made in the insurance so that a small amount will be paid each year.

S. M. CHAMBERLIN, Treasurer.

I have audited the foregoing account and find it correct and properly vouched.

As is the custom in modern schools the pupils in Woodsville engage in many activities in addition to the regular classroom work. Those of the high school pupils are described in the headmaster's report which follows this. In the other building operettas and special programs have been given by all of the first six grades, either alone or in conjunction with one or more other grades. The fifth and sixth grades have had a club which meets frequently for programs and practice in parliamentary practice, while the junior high school grades have held weekly assemblies with programs of music and other special features.

At the present time milk is being furnished to thirty-seven pupils, by the Progressive Club, assisted by the D. A. R., the Rotary, the Lions, the Legion, the Legion Auxiliary, the Rebekah Lodge, the Odd Fellows, the Grange, the Firemen and Engineers, the Leag-aide, and the Methodist Girls' Club.

The Methodist Girls' Club and the Lions Club have recently made donations of clothing, which have been very helpful in certain cases. The Lions Club has

also furnished a number of pairs of glasses while the Red Cross has given clothing and cod liver oil.

In behalf of the intermediate grades I want to thank Miss Lena Hutchins for giving her time as pianist during their music hours. It is to be hoped that some day we may broaden out the work in music under the leadership of a music supervisor. Such an addition to our staff would be a decided advantage to both the high school and elementary departments.

Since the last annual meeting a steel ceiling has been put up in the seventh grade room, new valves added to the radiators in the high school, and a new heating system installed in the graded building. The valves have increased the efficiency of the heating plant in the high school while the new system has made a very great improvement in the other building.

In view of the constant jarring by trains and by possible earthquakes I would recommend the installation of a steel ceiling in the fifth grade room, the only one left with a plaster ceiling. There are also needed more typewriters, gas for the laboratory, and some changing of the lights in the study hall in the high school. In the junior high school new desks, adjustable as to height and capable of holding the necessary books and supplies, would be a decided improvement.

Respectfully submitted,

EDWARD A. JANES

REPORT OF THE HEADMASTER

To the Superintendent of Schools:

I offer herewith my twenty-third annual report of the Woodsville High School, for the year ending January 31, 1941.

There have been registered to date one hundred sixty-six pupils, which is sixteen more than a year

ago. Larger entering classes account for the increase. There are seventy-two boys and ninety-four girls; twenty-nine are seniors, forty-five juniors, thirty-eight second year, and fifty-four first year. There are fifty-eight tuition pupils, thirty-eight from Vermont, and twenty from New Hamphire.

In June of 1940 was graduated a class of twenty-eight: Robert A. Altenbern, Weston E. Bailey, Gladys L. Barr, Elsie B. Byron, Ada A. Caravatti, Orrin F. Clark, Erla M. Darling, Ralph E. Dearborn, Russell J. Demeritt, Lawrence W. Dunn, Carroll F. Guilmette, Frederick A. Hale, Robert A. Hale, Charlotte M. Janes, Newton J. Lang, Ann E. Maurer, Dora R. McQuesten, Gloria D. Rosa, Mary E. Rowden, Athalie J. Smith, Elsine E. Stimson, Wilma F. Stimson, Priscilla M. Turner, L. Lucille White, Wilfred H. Whittier, Lawrence E. Wilkins, Midred M. Wood, and Albert D. Wright.

First place was taken by Ann Maurer, second place by Charlotte Janes, and third by Gladys Barr.

The Alumni Attainment award for general excellence was given to Robert Altenbern; the Perley N. Klark music memorial was divided between Charlotte Janes and Carroll Guilmette; the Quill and Scroll creative writing award was presented to Lucille White; the American Legion athletic cups were awarded to Erla Darling, Carroll Guilmette, and Charlotte Janes.

Baccalaureate service was conducted by Rev. Charles D. Maurer, o fthe local Methodist Church. At the Class Day program the graduates presented to the school mirrors for each of the lavatory rooms. The annual reception concluded the year in the usual joyous manner.

The list of graduates attending colleges or schools requiring high school diploma for entrance shows no

diminution. There are this year eighteen graduates in the University of New Hampshire; five in the University of Vermont; seventeen in other standard colleges; ten in hospital training schools; and sixteen in varied types of other schools; a total of sixty-six, which is about fifty per cent of all graduates of the last four years.

Enlarged quarters for typing classes have been made by putting a door-way through the partition, and joining Room 5 on to Room 4. A counter has been built across Room 5 setting off half the space for library purposes, and providing storage shelves for the typing materials.

By vote of the School Board the public speaking for all juniors has been discontinued. This recital, in varying form, had been given each year since the school started; what may be an acceptable substitute is at present undetermined.

Numerous outside activities continue as in former years. Band and orchestra rehearse weekly, and appear occasionaly at public functions; the quality of the Cycle material gained approval in a competitive judging at Columbia University; three pupils received favorable mention for papers submitted in a Quill and Scroll writing contest; athletics and winter sports claim much practice; football was discontinued with the season of 1939, so that more time in the fall could be devoted to basketball.

N. Y. A. funds have been used to employ from six to ten pupils to do useful work around the school house. These jobs have depended somewhat upon the season, and have consisted of aid to the janitor, painting the window screens, care of athletic equipment, clerical assistance, preparation of noon lunches, and attendance in the library. Pupils eligible for this work must be reasonably in need of earning, and must be

capable of doing the kind of work needed in the school.

The widespread epidemic of "flu" caused school to be closed one week during this current January. No time has been lost by such enforced vacations since the similar epidemic in 1918. At that time there were no sessions for five weeks during the fall term, but most of these days were made up by shortening regular vacation periods and by holding sessions on Saturdays.

A moderate variety of outside speakers, films, and displays, has been introduced through the school year. These features are limited of necessity to such as can be secured without expense.

The school ought to keep in touch with passing phases of national and local events. To that end anniversary days have been observed, new civic projects have been explained, and happenings in nature and in government have been noted.

The modern school program calls for several new subjects of interuction: safety; vocational guidance; using reference books; effects of stimulants and narcotics; auto driving; use of leisure. These are taught more by incidental reference and example, than by definite precept; the weekly assembly programs frequently touch upon these topics.

Two years ago an attempt was made in this community to turn the natural exuberance of youth on Hallowe'en from destructive rowdyism to enjoyable memory. This last October a program was arranged by a group of W. H. S. pupils, sponsored by adult guidance, and all the children of the vicinity had a happy evening in the community hall. No instance of lawless depredation was reported in the village. Such helpful co-operation of parents and pupils is effective application of the ways of democracy.

The Alumni Association should continue to be well

supported. Demands to attend all kinds of meetings and to contribute to every sort of cause discourage people from taking on another. On the other hand a firmly knit alumni body is a mainstay for any institution and adds to it an essential dignity. Hereby goes out a call to all alumni to make a return in loyalty to the school for what the school tried to give them as pupils.

At the end of January in 1940 Mr. S. W. Robertson died at Santa Barbara, California. He had been first principal of this school, establishing it under definite system in 1896, and continuing as its head for nine years, until 1905. Mr. Robertson did a constructive piece of organization under pioneer conditions; he was highly esteemed through the years by pupils who had been under his instruction; and he was much appreciated by many citizens who realized the worth of his labors.

Details of items mentioned in this report appear from week to week in the local newspapers, and a collection of such notices is preserved in the official scrapbooks.

Reports from the inspection carried on each year by the State Board of Education indicate no particular deficiency in management, equipment, or program. Minor suggestions have been heeded. Activities and attainments vary from time to time in accord with the interests and energies of pupils. There is always possibility and need for improvement. A changing world means new and enlarged ideas and materials in the school room, with effort to fit the pupil for the need he may find in the world of his maturity. In no place can "rugged individualism" be better carried out than in the development of each person's individuality.

Respectfully submitted,

January 31, 1941. G. H. McGAW, Headmaster.

REPORT OF HAVERHILL SCHOOL BOARD

TOWN SCHOOL DISTRICT WARRANT

The State of New Hampshire

To the Inhabitants of the School District in the Town of Haverhill qualified to vote in district affairs:

REPORT OF THE SCHOOL BOARD OF HAVERHILL

We, the undersigned members of the Haverhill School Board, beg to submit the following report:

At the annual meeting of the Haverhill School District last March the School Board informed the Taxpayers and Voters of the unsatisfactory and inadequate heating of the School buildings at Haverhill, and asked to be authorized to install electric stokers for the furnaces in the Haverhill Academy building. The District voted to authorize the Board to go ahead, have the stokers installed, and report at the next Annual Meeting the amount expended, as Deficiency Appropriation.

Bids were invited, and after a study of the various types, the contract was awarded to the Northern Coal Co. of Littleton, N. H. for two Link-Belt Bituminous Stokers.

The Board feels very much gratified being able to report that the new Heating System is giving great satisfaction, all the rooms in the two school buildings being now uniformly warm.

For some time past the School Board felt that the Haverhill Academy building, Pearson Hall, Alumni Hall and the North Haverhill School buildings were not adequately insured against Fire risk. Appraisals regarding replacing any of these buildings were

made, disclosing the fact that it would take about $80,000 today to replace these buildings. After giving the matter the utmost thought and consideration the Board decided to insure the buildings for the amount of $60,000 viz: Haverhill Academy, $20,000; Alumni Hall, $10,000; Pearson Hall, $10,000; and No. Haverhill School Building, $20,000. All the insurance was taken out through the R. T. Bartlett Insurance Agency of Woodsville. While the Board realizes that this new Schedule necessitates a larger appropriation for Insurance Premiums in the future, it feels inclined to believe that, the step taken, will assure the Taxpayers a better protection in the event that any of those buildings should burn down.

It may interest the taxpayers and voters of the District to learn that the Board thought best and in fact deemed it wise to take out Boiler insurance on the boilers in Haverhill Academy, Alumni Hall, North Haverhill and Pike Schools through the Hartford Steam Boiler Insurance Co. of Hartford, Conn. The cost of this insurance is about $55. per year.

During the summer vacation the whole interior of the No. Haverhill School building was repainted and all of the woodwork revarnished.

The Grammar room in Pearson Hall and one of the recitation rooms in Haverhill Academy were redecorated. The basement in the latter building was also painted. The water drainage system at the East Haverhill School house had to be repaired.

Of course there were, in addition to above cited cases, many other minor repairs made in the different School houses during the year.

Fourteen new desks—2 rows—were installed in the Assembly room of Haverhill Academy, and the Board contemplates and recommends that two more rows of

the old desks be replaced during the next School year.

We wish to call attention to the annual reports of the Superintendent, Mr. Edward A. Janes, and of the Headmaster of Haverhill Academy, Mr. Friend H. Jenkins.

Especial attention of the taxpayers and voters of the district is directed to the Budget, covering the proposed expenditures for he School Year, beginning July 1, 1941. The Budget has been prepared with utmost care and a desire for strict economy.

The retiring member of the Board is Mr. Wm. H. Slight of Haverhill.

Respectfully submitted,

The extra curricular activities, the improvements and additions to equipment are described in the reports of the Headmaster and School Board. Supplementing what is said in those reports, however, I would like to say that the High School Agent from the State Board of Education gave high praise to the Academy, while the graduates have been making creditable records in various post-secondary schools.

Most of our friends are familiar with the pleasing musical entertainments and other special programs given by the different elementary schools of the town. On behalf of the pupils and teachers, I would like to thank Mrs. Williams and all the others who helped to make these programs successful.

Basket ball with interscholastic games is now being enjoyed by the pupils of the North Haverhill and Pike Grammar Schools. Hot lunches are being served at East Haverhill and Center Haverhill, the food, for the most part, being brought in by the children themselves. We appreciate the teachers' taking on this extra duty.

In addition to the recommendations of the School Board, I would like to call attention to the need of replacing some worn out desks in the Haverhill Primary Room, and putting on a new ceiling in Room Five in the Academy. The new encyclopedia has proved so useful in North Haverhill that it would seem advisable to purchase a similiar set for Pike.

Respectfully submitted, EDWARD A. JANES

REPORT OF THE HEADMASTER

I submit herewith my seventeenth annual report of Haverhill Academy and High School for the year ending January 31, 1941.

There have been enrolled for the school year 1940-1941 to date ninety-eight pupils. Of the twelve tuition pupils six come from Piermont, two from Campton, two from Warren, one from Wentworth and one from Benton. Four pupils have left school leaving the present enrollment ninety-four. Distributed according to classes there have been enrolled:

	Boys	Girls	Total
Seniors	8	12	20
Juniors	14	12	26
Sophomores	7	14	21
Freshmen	16	15	31
	45	53	98

The following twenty-two pupils were graduated in June: Richard Atkins, Roland Belyea, Thelma Clough, Charlotte Coates, Bert Cox, Roger Eastman, Wendell Fortier, David Howard, Ellis Howard, Hazel Keith, Walter King, Philip Morrill, Isabelle Moulton, Barbara Reed, Carl Sawyer, Harris Skinner, Marjorie Spooner, Fred White.

Charlotte Coates, Bert Cox, Walter King and Fred White won the first four scholastic honors in the order named. Ellis Howard won the Scholarship, Loyalty and Achievement Medal. No award of the John Dexter Locke Latin Prize could be made inasmuch as there were no four year Latin pupils in the graduating class. The usual commencement activities were held. The theme of the graduation exercises was Famous New Hampshire Artists. The class again ranked well above the state averages in the standardized tests sponsored by the State Board of Education and administered by the school. In the comprehensive English test our

seniors were exceeded by but one school in the State. Further evidence of the relatively high scholastic standing maintained by the school can be obtained from the results of the Annual Scholarship Day tests in which two of our three teams placed among the three highest in their respective subjects.

The extra-curricular activities are being continued as in the past. One of the outstanding events of the year was the operetta presented by the glee clubs and in which nearly fifty of the pupils participated. The glee clubs also presented another delightful cantata at the annual Christmas party. A beginner's orchestra was started early in the year under the direction of Mr. Lennie Stevens and several of its members have already joined the senior orchestra. The girls' basketball team won the league championship for the second consecutive year finishing the season undefeated and remaining so thus far in the current season. The boys' team lost but three games in the league schedule to finish in second place and was nosed out of the State tournament finals in class C by but one point.

The installation of the new thermostatically controlled heating system in the Academy building provides adequate and uniform heat for both buildings and while it is too soon to estimate the saving in fuel consumption it should be considerable. The old 110 volt line from the street to the building was found to be inadequate to carry the increased current load and has been replaced by a highly efficient modern system thus removing any possible fire hazard from overloaded circuits, making uninterrupted service more certain.

The continued cooperation of all officially connected with the school and of the parents and citizens alike is again gratefully acknowledged and deeply appreciated.

Respectfully submitted,

FRIEND H. JENKINS, Headmaster

Vital Statistics
